OUR MINISTRY FOCUS

**WE ARE REACHING THE LOST,
BY TRAINING THE FOUND**

WHY ARE WE SERVING IN LATIN AMERICA AND SPECIFICALLY IN ARGENTINA?

Many have asked us why we serve in Latin America if it is a region reached. The answer is:

- only one (1) out of every six (6) individuals in Latin America know Jesus
- there are 642 unreached people groups in this region

The full answer includes a question. The question to be asked is ...reached with what kind of gospel? It is a fact that false doctrines are plaguing this region due to a false version of the gospel. While some have been reached with the Gospel of Jesus Christ, the truth is that the Great Commission includes preaching, teaching, and discipling in the whole counsel of God. Hence, our task lies in training pastors, church planters, and national missionaries to establish healthy churches. We are also implementing preventative strategies to fight Human Trafficking by developing resources and empowering the local church to actively preach the Gospel through compassion ministries so that the lost might be reached.

WHAT ARE OUR FINANCIAL NEEDS?
